FACE VALUE

We know that a rough and tough face can imply manliness and strength, but your skin will not appreciate it in the end. That's why you need Biotherm Homme's Aquapower D-Sensitive Cleanser, a gentle but hard-working cleanser that fortifies skin and eliminates potential impurities. How's that for tough? \$25 for 125ml. www.biotherm.ca

SIMPLE SATISFACTION

Expanding on the success of their Bleu de Chanel fragrance, Chanel has added a shower gel and after-shave balm to their men's collection. The aroma is undoubtedly masculine but not overpowering, offering hints of pink peppercorn, ginger and sandalwood. Starting at \$34. www.holtrenfrew.com

EYE OPENER

Long night working on that last minute business proposal? Your boss doesn't need to know. L'Oreal's Men Expert Vita Lift 5 Eye Roll-On uses a Pro-Retinal formula to fight wrinkles, darkness and puffiness so your boss will think you're well rested and always prepared. \$15.99 for 10ml. www.rexall.ca

DIFFERENT SIDE OF THINGS

Men don't like to be bored, and when it comes to fragrance it should be no different. Adding a new spin to the classic Fougère family of scents, Hugo Just Different by Hugo Boss infuses a cool mint top note to an otherwise masculine wood base. Forget *Scent of a Woman*, it's the scent of a man that will have people talking. \$76 for 100ml. www.thebay.com

HEAD START

Root Power Restorative Shampoo, the latest from the Lab Series collection, helps remove pore-clogging debris to create healthy looking hair. Its RootPlex5 technology also fights the five signs of aging, including those pesky thinning or damaged locks. It'll be your time to shine with this cleansing shampoo. \$24 for 8.5oz. www.sephora.com/canada

OUT WITH THE OLD

We at Argyle like things out of the ordinary, so off-the-shelf toothpaste just won't cut it anymore. That's where Marvis' Classic Strong Mint Toothpaste comes in: the cool, retro packaging and Italian craftsmanship will make your morning routine feel that much more special. \$11.99 for 75ml. www.jacobandsebastian.com

CLOSE CALL

Forget fancy spas or authentic barber-shops: efficient grooming can now be done in the comfort of your own home. Equipped with a pop-up trimmer for your sideburns and beard, the Philips AquaTouch electric shaver can be used for either dry or wet shaves. The cordless shaver also lasts up to 50+ minutes on a single charge - talk about cutting edge. Starting at \$89. www.sears.ca

SO FRESH AND SO CLEAN

Commuting to the office can be irritating, but a bad shave makes a man a grinch, especially during the dry winter season. Gillette's new Fusion ProGlide Irritation Defense Shave Gel is formulated with an active soothing complex that not only lubricates and cools but hydrates the skin, defending against irritation. A shave to keep you jolly through the holidays! \$7.49 for 50 ml. www.gillette.com
